

# National Medical Malpractice Company Offering Significant Rate Reductions to GAPI Members!

The Keane Insurance Group has negotiated highly competitive rates with Medicus Insurance Company for GAPI members. As the endorsed broker, we will work with GAPI members in good standing to deliver premium indications with no obligation.

## Some of the policy features include:

- Established A-rated reinsurance, including Lloyd's of London Syndicates rate A (XV)
- Admitted carrier participating in the State Guarantee Fund
- Claims made coverage with prior acts
- Consent to settle held by physician
- Free tail for death, disability and retirement
- 0% financing

## About Us:

With over 5,000 clients, The Keane Insurance Group is one of the largest MedMal Insurance brokers in the nation. We will use our size and experience to bring you the most cost-effective option for your practice. We are proud to be endorsed by GAPI and look forward to working with you.
